

# AGILE LEADERSHIP

## HOW TO CREATE IMPACT DESPITE COMPLEXITY AND RESISTANCE.

Changing times call for great leaders who can create progress in learning despite complexity, ambiguity and resistance. Around the world, schools are under pressure to deliver on new and broader outcomes; utilise evidence-based practices; and create innovative new learning designs.

Agile leadership provides a dynamic approach to leading change that will enable leaders to adapt quickly, continuously learn and iterate towards an effective solution.

### In this compelling and deeply practical presentation, Simon explores:

- > How to adopt an agile mindset to leading change
- > Clarifying a small number of high-impact improvement approaches
- > Implementing small to learn fast through rapid prototyping
- > Scaling up changes by curating social learning
- > Harnessing evidence to guide all phases of continuous improvement

Department of Education

*The feedback I received was overwhelmingly positive. Simon thoroughly engaged the audience and set the tone for the whole conference.*

*I couldn't have asked for more.*

*- President - Educate Plus*

*Working with Simon is the safest way to make sure a high profile, ambitious event for school leaders breaks new ground and leaves people wanting more. From the start of the planning, through to the post-event and follow-up, Simon took charge, covered every detail small and large, and delivered one of the most compelling, engaging, and provocative global workshop we've run.*

*- Microsoft Asia*

*Delegates from our conference are still raving about Simon! His informed thinking was engaging, entertaining and educational; adding a great deal to our conference, through both his keynote and contribution to our panel session.*
